*Promoting excellence in Interventional endoscopy*

## Course overview

Faculty presentations covering indications for ESD and differing methods of the technique

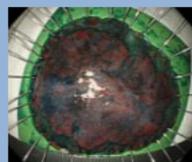

Demonstrations of these techniques by the ESD experts using *ex vivo* and animate models

Intensive hands-on experience with expert faculty

Hands on experience with ESD knives and diathermy

This course is designed for advanced GI endoscopists and surgeons who are interested in learning the most advanced techniques in mucosal resection.

Only 2 delegates per station to give maximum exposure to hands on skills

*Promoting excellence in Interventional endoscopy*
